Dear Friends,
 Welcome to the 10th Annual Benefit Gala for Children and the celebration of 16 years of service to children in our community. The funds raised tonight provide support to CIS programs aimed to reduce the dropout rate in our county. Services include Success Coaches for at risk middle school students, Volunteer and Mentoring Services, Parenting and Family Services, Teen Court, Peer Court, After School Programs, Academic Scholarships and other supplemental dropout prevention resources. On behalf of the CIS Board of Directors and Staff, we are grateful for your attendance and support tonight. We hope you enjoy the evening.
